#### CARRANZA DECREES TO BE ABROGATED

MEXICO CITY, July 9.—Article 27 of the Mexican constitution, which nationalizes petroleum deposits, will be sustained theoretically, but all decrees issued by former President Carranaa prejudicing prior rights of petroleum owners will be abrogated by a presidential decree to be issued shortly Provisional President Adolfo de la Huerta made this statement while conversing with foreign correspondents here last night.

Oil men will be given the right to preempt petroleum claims within five

Oil men will be given the right to pre-empt petroleum claims within five years, but once pre-emption is made, they will have an indefinite time with-in which to drill, the provisional presi-dent said. He made it clear these were his present views, which might pos-sibly, but not probably be changed aft-er conferring with the secretary of industry, commerce and labor and after hearing lawyers for oil interests and bis own attorneys in joint debate on the subject.

#### I. C. C. DENIES PLEA.

WASHINGTON, July 9.—Application of the Southern Pacific company for permission to operate its Atlantic Steamship lines in either regular or irregular service between points on the Atlantic seaboard and the gulf coast was denied today by the interstate commerce commission. The commission held that such service was not in the interest of the public and would prevent competition.
